EXPANSION.

Written by James T. Du Bois, American  
agent to Gall, Switzerland, and published  
the first time.]

et a feller t'other mornin'-  
Most amusin' sort of case;  
ad a cur'us style about him-  
Cert'ly couldn't well be wuss.

ays "Wh-re you hail I m, pardner?"  
An' he smiled in a knowin' way,  
"I replied, in forre'n lingo,  
"Porto Rico, U. S. A."

en a feller down on Broadway,  
With a shockin' head of hair,  
t a lot o' tropic garments,  
An' a most outlandish air;

Whur's he frum?" a feller shouted,  
An' before we'd time to say,  
his yere heathen turned an' ans'rd;  
"Honeyluler, U. S. A."

et a feller here on Olive,  
With a somber-e-ro on;  
ad a lot of shaggy whiskers,  
Nearl' all his clothes wuz gone,

opped an' ast me for a quater;  
Says, "My home is fur away,"  
Whur you frum?" The varmint answered:  
"Santiago, U. S. A."

en a feller at the Southern,  
With a heavy iron box,  
erecent was lined with bearskin;  
Wore a dozen pair of socks,

zed him up to be er miner,  
Judgin' by his awkward way;  
en him write in big char-acters;  
"Circle City, U. S. A."

en a saddle-co'ored heathen,  
Nearl' all his clothes wuz gone,  
een cuffs 'round his ankles,  
Most indecent lack of clothes,

here 'd this heathen, guy here, spring  
frum?"  
Ignorant in lofty way;  
he had the nerve to answer:  
From Manila, U. S. A."

ully Gee," says he "I never heard of  
these here cannibals before;  
These heathens yere all voters?  
Will we stan' for enny more?

x' you ask a feller  
Whur he's frum, an' he'll say  
th a lordly kind of flourish,  
All creation, U. S. A."

WHATEVER the result of the Dreyfus trial,  
at France is threatened with internal strife  
des evil to the republic or to the prosper-  
of the country.

LOHANE county shows an increase in tax-  
ing the past year. No other county has  
ade such rapid progress.

NDICATIONS continue to point toward a  
r between the English and the Boers.  
Whatever the justice of their cause it is im-  
possible to understand what favorable result  
themselves the latter can hope for.

THE imports of tea into New York for the  
cal year 1898 showed a decrease of 61 per  
cent over the previous year. There is no  
predictable increase in the consumption of  
er, so the hypothesis is that abstinance on  
a drinking is the cause.

A REUNION of ex-slave holders and ex-  
ves will be held at Chattanooga in Sep-  
ember. To witness the demonstrations of  
aine friendship and good feeling by the  
t master and his servants toward each  
er, the political demagogues who attempt  
foment broils on the race question, are  
ecially commended to be present.

VITH all the acknowledged ability of  
ltre Labori, leading counsel for Dreyfus,  
has seemed strange to us that he has so  
quently, during the trial, made threats of  
e he intended to "do up" General Mercier.

Other witnesses when he got them on  
stand. Apparently there was nothing to  
ained by boasting, and clearly the wisest  
ley would have been to preserve a digni-  
d and discreet silence as to his policy.

It highly probably that had he kept his  
uth shut he would not have got shot.

HE attempted assassination of the leading  
orney for Dreyfus on the 12th inst., may  
ve been the work of a crank or an an-  
irist, as the sympathizers of the army and  
e anti-Dreyfusites claim, but the world at  
ge believes differently. The crank directs  
blow at some public man from whom he  
pected favors and was denied, and the  
rchist against military law, imperialism  
d monarchial rulers, but never against  
ne under the ban of oppression. That is  
e only humane principle in their code.

V. H. CLARK, ex-corporation counsel of New  
rk, is a plunger. By speculating in Wall  
et and elections he made a cool million.  
a two nights' play against roulette at  
atoga recently he lost \$40,000, but that did  
t disturb him. The day following he made  
00 on the races. At the last election he  
n \$5,000 on Roosevelt and then spent the  
ire amount on a dinner, which was served  
a horse-shoe bench in the stable where he  
eps his thoroughbreds. It needs no pro-  
t to tell that Mr. Clark will sooner or  
er, "go broke" if he makes a practice of  
eking the tiger, whether in the guise of  
mmany, roulette or faro.

## Crippled by Rheumatism.

Those who have Rheumatism find themselves growing steadily worse all the while. One reason of this is that the remedies prescribed by the doctors contain mercury and potash, which ultimately intensify the disease by causing the joints to swell and stiffen, producing a severe aching of the bones. S. S. S. has been curing Rheumatism for twenty years—even the worst cases which seemed almost incurable.

Capt. O. E. Hughes, the popular railroad conductor, of Columbia, S. C., had an experience with Rheumatism which convinced him that there is only one cure for that painful disease. He says: "I was a great sufferer from muscular Rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took about a dozen bottles of your S. S. S., and now I am as well as ever was in my life. I am sure that your medicine cured me, and I would recommend it to anyone suffering from any blood disease."

Everybody knows that Rheumatism is a diseased state of the blood, and only a blood remedy is the only proper treatment, but a remedy containing potash and mercury only aggravates the trouble.

## S.S.S. For The Blood

being Purely Vegetable, goes direct to the very cause of the disease and a permanent cure always results. It is the only blood remedy guaranteed to contain no potash, mercury or other dangerous minerals.
